

ALRAYYAN

شركة الريان للتجارة و المقاولات

DRIVEN BY QUALITY. POWERED BY INNOVATION

ABOUT US

Founded in **1974**, AlRayyan has evolved from a pioneering importer of specialty vehicles into Saudi Arabia's first and largest supplier of golf carts, luxury electric carts, utility carts, and UTVs. With over four decades of expertise, we have built a trusted reputation for delivering exceptional quality, unmatched reliability, and continuous innovation.

Our journey began with a clear vision: to introduce premium, world-class mobility solutions. Today, we proudly partner with Saudi Arabia's most ambitious initiatives under Vision 2030, serving both government and private sector projects. Our vehicles are engineered to elevate leisure and professional experiences alike, blending safety, elegance, and lasting durability. From the first consultation to long after delivery, our dedicated team ensures every customer enjoys a seamless and exceptional ownership experience.

Vision

To lead the Saudi's transition towards sustainable and premium mobility solutions

mission

To deliver world-class electric and utility vehicles with unmatched service quality, supporting Saudi Arabia's growth and innovation under Vision 2030.
